### Cocoa Beach Community Church Unveils Banned Book Library

Cocoa Beach, FL — The **Cocoa Beach Community Church**, a beacon of faith and intellectual exploration, joyfully announces the grand opening of its **Banned Book Library**. Located at **126 S. Atlantic Ave in Cocoa Beach**, this sacred space transcends mere brick and mortar—it embodies our mission to be servants in the service of others and to be good stewards of the earth's resources. 'To believe is to care; to care is to do.'

#### Our Mission:

At the **Cocoa Beach Community Church**, we believe that every word, story, and whisper of ink carries the potential to transform lives. Our Banned Book Library stands as a testament to intellectual freedom, where the excluded becomes accessible, and the suppressed finds its voice. Here's what to expect:

- **Opening Dates and Hours:** On the **first Saturday** and **third Sunday** of each month, from **12:00 PM to 2:00 PM**, our library doors swing wide open. Mark these dates—the literary revolution awaits.
- **Banned Treasures:** Our shelves cradle books that have danced with controversy, flirted with rebellion, and dared to challenge the status quo. From *To Kill a Mockingbird* to *The Color Purple*, these volumes pulse with life, beckoning you to explore.
- **Two-Week Journeys:** Borrow these prohibited gems and embark on a literary odyssey. Whether you're drawn to dystopian futures, thought-provoking social critiques, or captivating stories about the LGBTQ+ community, our banned books await your eager eyes.
- **Guided Exploration:** While we champion freedom, we also honor responsibility. Anyone under 16 must be accompanied by a parent or guardian—a shared adventure in the pursuit of knowledge.

The **Cocoa Beach Community Church Banned Book Library** invites you to defy convention, question interference of our right to choose what we want to read, and engage with the profound narratives that have stirred hearts and challenged the status quo. Let the words weave their magic, the ideas collide, and the ink spill—because true freedom lies between the covers of a banned book.
